Dear Parent or Guardian:

I Know I Can and Columbus City Schools invite your student to visit the campus of Denison University in Granville, OH on **Friday, September 16, 2016**. Taking advantage of this free opportunity to spend an entire day on this college campus can provide information and experiences they will need to make an informed college choice. This one-day visit will provide the perfect way for your son or daughter to get the essentials about student life on the Denison University campus, including academics, residence life, and campus organizations. In addition, your son or daughter will learn more about the Denison Columbus Alliance Scholarship.

I strongly encourage your son or daughter to attend! This trip is limited to the **first 50 Columbus City School Class of 2017 Seniors who register online at www.iknowican.org**. In addition, **those registered seniors must have a 3.0 GPA and passed all parts of the OGT to be eligible to attend.**

Please see the enclosed agenda outlining the day's activities. After your child registers for the trip online at www.iknowican.org and if he or she receives approval to attend the trip, your child will receive a permission slip via e-mail. Please return this permission slip child's I Know I Can Advisor or School Counselor.

Please direct additional questions about this opportunity to Ashley Logan, I Know I Can College Ass.t Director of College Advising Manager (233-9510 ext. 124) or to Kate Webster, CCS High School Resource Counselor (365-5255).

We greatly appreciate the support of I Know I Can in making this college visit available to our students. We look forward to supporting you and your child in the college admissions process and wish him/her continued academic success in college. I hope your student will participate in this outstanding event!

Sincerely,
