Dear Parent or Guardian:

Columbus City Schools, Denison University, and I Know I Can invite your student to visit the campus of Denison University in Granville, OH on **Friday, March 24, 2017**. Taking advantage of this free opportunity to spend an entire day on this college campus can provide information and experiences they will need to make an informed college choice. This one-day visit will provide the perfect way for your son or daughter to get the essentials about student life on the Denison University campus, including academics, residence life, campus organizations and more.

I strongly encourage your student to plan now to attend! This trip is limited to the **first 85 Columbus City School Class of 2018 Juniors who register online at www.iknowican.org**. In addition, **those registered juniors must have a 3.0 GPA or be in the top 10% of their class to be eligible to attend.**

Please see the enclosed agenda outlining the day's activities. After your child registers for the trip online at www.iknowican.org and if he or she receives approval to attend the trip, your child will receive a permission slip via e-mail. Please return this permission slip to your child's I Know I Can Advisor or School Counselor.

Please direct additional questions about this opportunity to Ashley Logan, I Know I Can Asst. Director of College Advising (614-233-9510) or to Kate Webster, CCS High School Resource Counselor (614-365-4079 or 614-365-8311).

We greatly appreciate the support of I Know I Can in making this college visit available to our students. We look forward to supporting you and your child in the college admissions process and wish him/her continued academic success in college. I hope your student will participate in this outstanding event!

Sincerely,

Cheryl L. Ward, Director for Student and Family Engagement
