

## THE DENISON-COLUMBUS ALLIANCE

The **Denison-Columbus Alliance (DCA)** program welcomes up to 20 students from Columbus City Schools to attend Denison each year. Students in the **DCA** program receive **total grant aid of at least full tuition for four years**. The **DCA** program is offered in collaboration with Columbus City Schools and its college access partner, I Know I Can.

### ◆ PROGRAM REQUIREMENTS

- Students graduating from a Columbus City Schools high school in the Class of 2021 are invited to apply.
- Performance, persistence, and resilience in the high school academic setting are key factors in the selection of DCA participants. Preference will be given to applicants with a 3.5+ GPA or who rank in the top 10% of their graduating class and with rigorous academic curriculum. Essay quality, extracurricular achievements, and recommendations from teachers and counselors also carry significant weight.
- Applicants should be strong students who also demonstrate interests outside the classroom. Examples include the arts, community service, or leadership, but could include a wide range of interests that might be pursued in college.
- Demonstrated financial need will also be considered in the selection of program participants.
- Applicants are required to take part in a virtual admission event (webinar, information session, and/or interview) at [denison.edu/campus/admission/virtual-connections](https://denison.edu/campus/admission/virtual-connections) before December of 2020.

### ◆ PROGRAM HIGHLIGHTS

- DCA Scholars receive total grant aid of at least full tuition for four years.
- DCA Scholars are included in a pre-collegiate mentoring program, which takes place in summer 2021.
- Throughout their four-year collegiate career at Denison, all DCA Scholars receive close mentoring with experienced Denison professors and participate in peer mentoring program, in which upperclass DCA Scholars share insights, knowledge, and experiences.
