Dear Parent:

College IS possible... We PROMISE! The Columbus Promise is a pilot program brought to you by the City of Columbus, Columbus City Schools, I Know I Can, and Columbus State Community College to boost college-going, student success, and prepare for the growing job market in Columbus, Ohio. Columbus State Community College, Columbus City Schools and I Know I Can invite your student to attend a CCS Visit Day at Columbus State with Columbus Promise, **Thursday February 29th, Tuesday March 5th, Thursday March 7th or Tuesday March 19th from 9:00a—12p.**

Columbus State is an open enrollment institution that provides a variety of pathways and programs to help students achieve their career goals. The purpose of this visit is to help students understand what Columbus State Community College has to offer as well as the benefits the Columbus Promise tuition-free guarantee holds. Students will leave this visit with a valuable experience that can help to decide if CSCC is the right fit for their educational and career goals!

Students must be seniors and are highly encouraged to complete a Columbus State Community College Admissions application.

The pick-up location will be the currently attending high school. There is no cost for this trip. **Student registration will be on a first come, first served basis as there is limited capacity for each visit.** Please direct additional questions to your student's school counselor or I Know I Can advisor.

Please see the information below on which date you should register to attend for your school.
